Fundraiser for Adopt A Boxer Rescue

www.adoptaboxerrescue.com

The Hawthorne House Bar & Grille in Bethlehem will be hosting a fundraiser on Thursday, November 15th to benefit the Adopt A Boxer Rescue organization. The restaurant's staff will be donating all of their tips to the Rescue in order to help with the medical costs & daily living expenses of these unwanted and abandoned dogs.

Adopt A Boxer Rescue is a non-profit organization that relies on its volunteers to help rescue, rehabilitate & re-home members of this fun-loving, loyal breed. A volunteer from the rescue will be here from 7pm – 9pm with information on adoption & she will also bring a couple of available boxers. (The fundraiser goes on all night).

The Rescue is in need of dog collars, leashes, toys & supplies so bring in an item for the rescue & receive a free gift from The Hawthorne House.
